## Informed Consent and Hold Harmless Agreement for Animal Message and Reiki Sessions

I, \_\_\_\_\_, have received information (Including the NOTICE OF CONFIDENTIALITY) and understand that both Massage Therapy and Usui Reiki are separate methods for assisting the animal in its natural healing process. Both are gentle and complementary therapies not intended to replace any currently prescribed medical treatments as ordered by my pet's veterinarian, nor any other medical care I have been advised to seek by them.

I have been informed that Celinarose is both a certified Animal Reiki Master and a certified Animal Massage Therapist and have been informed that she will neither diagnose, nor prescribe for any condition that my pet may have, nor does she make specific claims regarding results from Massage Therapy or Reiki sessions that my pet receives. I have also been informed that Celinarose is not licensed to practice veterinary medicine in the state of Alaska or any other state. I have been encouraged to consult a licensed veterinary practitioner for any physical or mental complaints that my pet may have.

I understand that I may stop treatment for my pet at any time, either during or outside of each session and that I am responsible for voicing any concerns regarding treatments for my pet as they present themselves, so that the practitioner, Celinarose, may address them in a timely and conscientious manner.

Some of the indications for Animal Message Therapy and Reiki sessions include, but are not limited to:

- Reduction in pain, stress and anxiety
- Decrease in nausea
- Preparation for medical treatment and procedures to manage side --- affects
- Support during chemotherapy
- Support for the body's natural healing process and a sense of well-being
- Facilitation of wound healing

I have been informed that all client information and records are treated in a confidential manner. My pet's experiences during these sessions are confidential and subject to the usual exceptions governed by state and federal laws and regulations.

\_\_\_\_\_ **by initialing here**, I hereby waive and release Celinarose from any and all liability past, present and future relating to her services, whether they be onsite at the home of the client signing this consent or at another location. Except in the case of gross negligence or malpractice, I or my representative(s) agree to full release and hold harmless Celinarose from and against any and all claims or liability of whatsoever kind or nature arising out of or in connection with my session(s)."

My questions have been answered to my satisfaction regarding Celinarose' training and experience with Animal Message Therapy and Reiki, the generalized uses of both methods, and what I might expect from my pet's session/s.

I give my consent to receive both hands -- on, and hands -- off, Animal Message and Reiki from Celinarose.
